### Friends and Family Test

November 2023

The Practice has been collecting Friends and Family Test data from patients who have used the Practice's services. This information has been collected using 3 methods:

- PATCHS (Online) - Patients completing a PATCHS online consultation are asked to complete the test
- Website (Online)- This is available to all patients; the Practice also randomly selects patients who have used the Practice services in the previous month and sends them a SMS/text, inviting them to complete the test
- Paper - This is available to all patients who attend the Practice

The Friends & Family Test asks one simple question:

*Thinking about your GP practice. Overall, how was your experience of our service?*

#### Breakdown of responses received:

Very good	7	PATCHS (Online)	13
Good	6	Website (Online)	3
Neither good nor poor	1	Paper	0
